

Full-Time Students

Students must meet the following criteria in order to be considered for full-time status:

- All courses must be completed by the student's twenty-first birthday. The student may agree to pay tuition for the portion of the course completed after the student's twenty-first birthday;
- Must be a New Hampshire resident to qualify for free tuition;
- Not received a high school diploma;
- Successful completion of the admissions process;
- Successful completion of the student's Admissions Plan, which includes completion of online course work.
- Recommended for acceptance by the VLACS admissions team;
- Students who successfully complete their Admissions Plan and meet all admissions criteria will be accepted into the full time program as seats become available.
- Students may take courses as a part-time student while waiting for a full-time seat to become available.

Part-Time Students

Students must meet the following criteria in order to take courses as a part-time student:

- All courses must be completed by the student's twenty-first birthday or the student may agree to pay tuition for the portion of the course taken after the student's twenty-first birthday;
- New Hampshire resident for free tuition;
- Successful completion of the enrollment process;
- Students will be placed in a course as space becomes available.
