Local Education Agencies (LEAs) must submit a signed copy of these Grant Assurances to the NHED prior to receiving formula funds for grants awarded under the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act (ESEA), Individuals with Disabilities Education Act (IDEA) and Carl D. Perkins Strengthening Career and Technical Education for the 21st Century Act. By signing these Grant Assurances the LEA assures that it will accept and administer these formula funds in accordance with all applicable Federal and State statutes and regulations.

As the Superintendent/Charter School Administrator you must carefully review and sign each funding source that you will be accepting for the 2022-2023 SY. There is one signature block at the end of the document Assurances must be signed and uploaded to the District Page of the online Grants Management System (GMS) before an application for funds can be substantially approved.

At the end of this document you will find the General Education Provisions Act (GEPA) Section 427 which requires each LEA applying for federal funds to include in its application a description of the steps the LEA proposes to take to ensure equitable access to and participation in its federally assisted programs for students, teachers, and other program beneficiaries with special needs. The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, or age. Based on local circumstances, you should determine whether these or other barriers may prevent your students, teachers, et al from such access to, or participation in, the federally funded projects or activities.

All LEAs accepting federal grants must provide a description of how it will ensure equitable access for students and teachers to participate in federally assisted programs. Please provide a clear and succinct description of how you plan to address those barriers that are applicable to the LEAs circumstances.

Please remember that Program Assurances are reviewed and signed by you, the Superintendent/Charter School Administrator as a way of indicating your agreement with the laws and regulations specific to certain grant types. The assurances below are not all-inclusive as to the entire scope of requirements for the LEA. Superintendents/Charter School Administrators are responsible for understanding all requirements of the grants they receive.

The Process:

Please read each step carefully:

1. The Superintendent/Charter School Administrator indicates which federal program(s) in which the LEA is accepting for the 2022-2023 SY and provides their contact information.
2. The Superintendent/Charter School Administrator carefully reviews the assurances for each federal program in which the LEA is participating and consults with the LEA School Board/Board of Trustees about the assurances.
3. The Superintendent/Charter School Administrator signs and dates the bottom of the Program Assurance document.
4. **All** Superintendent/Charter School Administrators (or designee) must complete the GEPA section.
5. The assurances must then be scanned and uploaded to the LEA Homepage of the online Grants Management System (GMS).

Please contact your NHED program manager if you have any questions.

Section A: Assurances for ESEA - Title I, Part A

All Sections cited are from the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act through P.L. 114-95, unless otherwise noted.

The local education agency (LEA) hereby assures the New Hampshire Department of Education that pursuant to the requirements in ESEA, Title I, Part A the LEA will:

A-1 USE FEDERAL FUNDS ONLY TO SUPPLEMENT, NOT SUPPLANT, OTHER RESOURCES

Use federal funds received under this part only to supplement the funds that would, in the absence of such federal funds, be made available from non-federal sources for the education of students participating in programs assisted under Title I, and not to supplant such funds. *Section 1118(b).*

Under ESEA, LEAs must demonstrate that the methodology they use to allocate state and local funds to schools provides each Title I school with all of the state and local money it would receive if it did not participate in the Title I program. This should expand Title I's spending options. Title I costs must still be allowable and must still support eligible students among other requirements.

A-2 MEET COMPARABILITY OF SERVICES REQUIREMENTS

Ensure compliance with all comparability requirements, including establishing and implementing on a grade-span by grade-span basis or a school-by-school basis: (a) a local educational agency-wide salary schedule; (b) a policy to ensure equivalence among schools in teachers, administrators, and other staff; and (c) a policy to ensure equivalence among schools in the provision of curriculum materials and instructional supplies. *Section 1118(c).*

A-3 INFORM SCHOOLS ABOUT SCHOOLWIDE PROGRAM OPTIONS AND PROVIDE TECHNICAL ASSISTANCE TO SCHOOLWIDE PROGRAMS

Inform eligible schools (40% poverty and above) and parents of schoolwide program authority and the ability of such schools to consolidate funds from federal, state, and local sources under *Section 1114.*

Provide technical assistance and support to schoolwide programs, including a one-year planning period (exceptions provided in *Section 1114 (b)(1)*), in consultation with stakeholders described in *Section 1114(b)(2)* resulting in a written plan that addresses the required components pursuant to *Section 1114.*

A-4 PROVIDE SERVICES TO ELIGIBLE STUDENTS IN TARGETED ASSISTANCE SCHOOLS

Provide supplementary services to educationally disadvantaged students in Title I schools. Eligible students are children identified by the school as failing, or most at risk of failing, to meet the state's challenging student academic achievement standards on the basis of multiple, educationally related, objective criteria, pursuant to *Section 1115.*

A-5 PROVIDE ASSISTANCE TO SCHOOLS TO CLOSE THE ACHIEVEMENT GAP

Ensure that all children receive a high-quality education and close the achievement gap between children meeting the challenging State academic standards and those children who are not meeting such standards. *Section 1112(b).*

A-6 ENSURE QUALIFIED AND EFFECTIVE EDUCATORS IN ALL LEA SCHOOLS

Ensure, through incentives for voluntary transfers, the provision of professional development, recruitment programs, or other effective strategies, that students from low-income families and minority students are not taught at higher rates than other students by unqualified, out-of-field, or beginning educators. *Section 1111(g)(1)(B)*.

Ensure that all teachers and paraprofessionals working in a program supported with Title I funds meet applicable state certification and licensure requirements, including any requirements for certification obtained through alternative routes to certification. *Section 1111(g)(2)(J)*.

At the beginning of each school year, the LEA receiving funds under this Part shall notify the parent(s) of each student attending any school receiving funds under this Part that the parents may request, and the LEA will provide the parents on request (and in a timely manner), information regarding the professional qualifications of the student's classroom teachers, including at a minimum, the following: (i) Whether the students' teacher (I) has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides instruction; (II) is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and, (III) is teaching in the field of discipline of the certification of the teacher. *Section 1112(e)(1)*.

A-7 USE INTERVENTIONS THAT IMPROVE OUTCOMES FOR STUDENTS

Take into account the strength of the evidence when selecting curricula and relevant interventions, identifying supports, services, and interventions that are likely to be effective for improving student outcomes. Title I, Section 1003 requires the use of evidence-based interventions that meet higher levels of evidence for schools identified for Comprehensive or Targeted Support and Improvement. *Section 1003 (b)(1)(B)* and *Section 8101(21)(A)*.

A-8 ASSIST SCHOOLS TO INCREASE PARENT AND FAMILY ENGAGEMENT

Develop and maintain a written policy on parent and family engagement and work in consultation with schools as they develop and implement their plans for activities under *Section 1116*. Parents shall be notified of this policy in an understandable and uniform format and to the extent practicable, provided in a language the parents can understand. Such policy shall be made available to the local community and updated periodically to meet the changing needs of parents and the school. *Section 1116(b)(1)*.

Conduct outreach to all parents and family members and implement programs, activities, and procedures for the involvement of parents and family members in programs assisted under this Part consistent with this Section. Such programs, activities, and procedures shall be planned and implemented with meaningful consultation with parents of participating children. Each LEA shall develop jointly with, agree on with, and distribute to, parents and family members of participating children a written parent and family engagement policy. The policy shall establish the LEA's expectations and objectives for meaningful parent and family involvement. *Section 1116(a)(1-2)*.

In addition, make widely available through public means (includes posting in a clear and easily accessible manner on the LEA's website and, where practicable, on the website of each school served by the LEA for each grade level served, information on each assessment required by the State to comply with *Section 1111*, other assessments required by the State, and where such information is available and feasible to report, assessments required by the LEA, including: (i) subject matter assessed; (ii) the purpose for which the assessment is designed and used; (iii) the source of the requirement for the assessment; and (iv) where such information is available: (I) the amount of time students will spend taking the assessment and the schedule for the assessment; and (II) the time and format for disseminating results.

In compliance with *Section 1112*, coordinate and integrate services with other programs under this Act (including Title I, Part C, Title II, Title III, etc.), the Individuals with Disabilities

Education Act, the Rehabilitation Act of 1973, the Carl D. All academic services will be aligned with the curriculum in the core subject areas of each of the schools attended by the participating students. Lesson and/or unit plans for academic enrichment activities will be required. Funds may be used to expand or enhance current activities, or to establish programs in non-participating schools within a local education agency (LEA)/ community based organization (CBO) that has a 21st CCLC grant.

E-4 Will provide program facility(ies) that are as available and accessible to participants as the students' local school. The facility(ies) have sufficient resources to provide all proposed and required activities, such as a computer lab, library, eating facility, safe recreational area and study area. The program will maintain equipment, security, resources and a clear strategy for the safe transportation of students to and from the center and home (ESEA Section 4204(b)(2)(A)(ii)). Depending on when the 21st CCLC program operates, a supplemental snack and/or meal must be offered to each student, each day. Students shall not be charged for costs associated with supplemental snacks/meals. Documentation of meeting supplemental snack/meal requirements is required and may be subject to monitoring. (7 CFR 210.10 and 7 CFR 210.9(c)(1-8)).

Students with special needs include those who may be identified as English language learners (ELLs); homeless; migrant; or with physical, developmental, psychological, sensory or learning disabilities that result in significant difficulties in communication, self-care, attention or behavior, and are in need of more structured, intense supervision. Children with special needs shall not be excluded from the 21st CCLC program, regardless of the level or severity of need, provided that they can be safely accommodated. Description of services to students with special needs shall be documented and may be subject to monitoring (GEPA 427 General Educational Provisions Act).
- E-7** In accordance with ESEA SEC 4201(a)(3), 21st CCLC programs are required to offer families of students served by community learning centers opportunities for active and meaningful engagement in their children's education, including opportunities for literacy and related educational development. For purposes of this program, the term family includes parents, caregivers, guardians or others such as grandparents, who act in the stead of parents. A minimum of three (3) meaningful family engagement activities will occur throughout the year. Programming will be designed to provide adult family members with the tools necessary to support their student's academic achievement goals.
- E-8** Have a professional development plan that is responsive to the needs of its staff, and identifies the professional development activities for staff delivering program activities. Conferences and trainings will be linked to the 21st CCLC funding purpose. 21st CCLC orientation/professional development and evidence of staff training shall be documented, uploaded to Cayen systems and may be subject to monitoring (ESEA Section 4203(a)(6)). In accordance with ESEA Section 4204(b)(2)(M), if the program plans to use volunteers in activities carried out through the community learning center, a description is needed of how the eligible entity will encourage and use appropriately qualified persons to serve as the volunteers.
- E-9** Have partners to help coordinate the use of resources and implement components of programming that are not paid for with 21st CCLC funds. Partnerships through public and private community agencies will be developed to help carry out the activities identified in the needs assessment and in the development of a well-rounded community learning center that offers diversity in programming. In accordance with ESEA Section 4204(b)(2)(H) a description of the partnership between a local educational agency, a community-based organization, and another public entity or private entity needs to be established prior to entering into a relationship with any entity. Funded 21st CCLC programs will complete a memorandum of understanding (MOU) as a formal agreement between all relationships with a partner/contractor, as described in 2 CFR Part 200.331 and maintain documentation to support that the partnership is completed prior to engaging the outside entity.
- E-10** According to ESEA, Section 4204(b)(2)(D), the 21st CCLC program will document that it was developed and implemented in active collaboration with the school district attended by the participating students. Adequate communication between the 21st CCLC program staff and the

students' regular school day teachers, school administrators and family members is critical to ensure student needs are addressed in the 21st CCLC program. **The agency has a written MOU with the school district stating how pertinent student data will be shared from the school district to the 21st CCLC program and how these groups will share information about the needs and performance of 21st CCLC students.** The written MOU will also include how the regular school lessons will be identified and reinforced during the 21st CCLC program.

- E-11** In accordance with ESEA Sec. 4204(b)(2)(K), have at least a preliminary plan for how the 21st CCLC program will continue after funding ends. Program will plan to sustain their 21st CCLC program by building partnerships and collaborating with other school and community agencies to build support for resources needed to sustain the program. Must demonstrate how the proposed program will coordinate federal, state and local programs and make the most effective use of public resources. Establish a written plan to be disseminated through community outreach and engagement strategy that communicates the benefits of the program and persuades community leaders and entities to provide in-kind and/or financial support to sustain and expand access to community learning centers to low income students (ESEA Section 4204 (b)(2)(C)).
- E-12** Establish a local 21st CCLC Advisory Board comprised of students, teachers, parents and members of community agencies and businesses. The agency will collect and maintain documentation of board meetings, such as minutes and attendance lists. The Advisory Board will consider such topics as program needs and concerns, operations and sustainability. The Advisory Board will include **at least one parent and one student (if the program is serving middle or high school students) and take place a minimum of three (3) times per school year.** Documentation supporting 21st CCLC advisory board meetings are required to be uploaded to Cayen Systems, and may be subject to monitoring.
- E-13** Manage property acquired (e.g., computers, classroom desks, tables) under the 21st CCLC program in accordance with Federal regulations. Equipment and supplies will remain within the appropriate facility for continued use in the 21st CCLC program after the funding period has expired. If the 21st CCLC program at the facility(ies) is not maintained after federal funding expires, all equipment and supplies will be used and/or distributed in accordance 2 CFR 200.313 and 2 CFR 200.314.
- E-14** Fully cooperate with all monitoring, auditing, evaluation and reporting requirements established by the NHED and/or authorized representatives. The subrecipient agrees to participate in all statewide evaluation activities (e.g., cooperate with site visits, cooperate with the quality improvement evaluation process, responding to data requests, submitting accurate and on time data). The subrecipient will submit all required data and reports, as required and/or requested, to the NHED and the US Department of Education (USED) (ESEA Section 4203(A)(14)).
- E-15** Ensure that all procedures and regulations for health, fire, safety, pick-ups, parental/guardian consents, transportation, field trips, food, medical and other emergency procedures, etc. will be clearly listed and widely disseminated, and that they will conform to applicable local and state practices/standards (ESEA Section 4204(b)(2)(iii)).
- E-16** Provide a timely and meaningful consultation with private school officials, providing equitable services to eligible students attending private elementary and secondary schools. The subrecipient must consult with each non-public school about the 21st CCLC grant. Consultation to private schools must be completed on a yearly basis with the required Equitable Services Affirmation document and submitted in the Grants Management System (GMS) by June 30th prior to the start of each fiscal year, throughout the five (5) year grant cycle, in order for your grant to be approved to expend funds in the upcoming fiscal year. The applicant shall give the appropriate

representatives a genuine opportunity to express their views regarding each matter subject to the consultation requirements in this section. (Title IX, Part E Uniform Provisions, Subpart 1, Section 9501).

- E-17** The 21st CCLC program will target students who primarily attend schools with eligible programs under ESEA Section 1114, 1111, 1115 and 1113 and the families of such students (ESEA Section. 4204(b)(2)(F), ESEA Section. 4203(a)(3) and ESEA Section 4204(i)(1)(A)(i)).
- E-18** Agree that the NHED 21st CCLC Program Office shall periodically review the progress made on the activities and deliverables listed. If the subrecipient fails to meet and comply with the activities/deliverables (example: daily attendance numbers, amount of days and time of operation, required reporting, required submission of information, proposed activities and/or proposed goals/objectives) or to make appropriate progress on the activities and/or towards the development of the program, and they are not resolved within four (4) weeks of notification, the 21st CCLC Program Office will (1) approve a reduced payment, (2) request the applicant redo the work and/or (3) terminate the project (2 CFR 200.339).

Section F: Assurances for ESEA - Title V, Part B, Subpart 2

All Sections cited are from the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act through P.L. 114-95, unless otherwise noted.

The local education agency (LEA) hereby assures the New Hampshire Department of Education that pursuant to the requirements in ESEA, Title V, Part A, Subpart 2 the LEA will:

F-1 USE FEDERAL FUNDS ONLY TO SUPPLEMENT, NOT SUPPLANT, OTHER RESOURCES

Use Title V, Part A, Subpart 2 funds only to supplement, not supplant, non-Federal funds that would otherwise be used for Title V, Part A, Subpart 2 activities. *Section 5232.*

SECTION G: ASSURANCES FOR IDEA, Part B

All Sections cited are from the Individuals with Disabilities Education Act as amended by P.L. 108-446, and the IDEA Regulations (34 CFR §300.201 through §300.213) unless otherwise noted.

The local education agency (LEA) hereby assures the New Hampshire Department of Education that pursuant to the requirements in IDEA, Part B the LEA will:

G-1. Assure that the LEA meets each of the conditions in 34 CFR §300.201 through §300.213, including:

§300.201 Consistency with State policies.

The LEA, in providing for the education of children with disabilities within its jurisdiction, must have in effect policies, procedures, and programs that are consistent with the State policies and procedures established under Sec. Sec. 300.101 through 300.163, and Sec. Sec. 300.165 through 300.174. (*Authority: 20 U.S.C. 1413(a)(1)*)

§300.202 Use of amounts.

(a) General. Amounts provided to the LEA under Part B of the Act--

- (1)** Must be expended in accordance with the applicable provisions of this part;
- (2)** Must be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with paragraph (b) of this section; and
- (3)** Must be used to supplement State, local, and other Federal funds and not to supplant those funds.

(b) Excess cost requirement.

(1) General.

(i) The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to paragraph (b)(1)(ii) of this section.

(ii) The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages 3, 4, 5, 18, 19, 20, or 21, if no local or State funds are available for nondisabled children of these ages. However, the LEA must comply with the non-supplanting and other requirements of this part in providing the education and services for these children.

(2) (i) An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.

(ii) The amount described in paragraph (b)(2)(i) of this section is determined in accordance with the definition of excess costs in Sec. 300.16. That amount may not include capital outlay or debt service.

(3) If two or more LEAs jointly establish eligibility in accordance with Sec. 300.223, the minimum average amount is the average of the combined minimum average amounts determined in accordance with the definition of excess costs in Sec. 300.16 in those agencies for elementary or secondary school students, as the case may be. (*Authority: 20 U.S.C. 1413(a)(2)(A)*)

§300.203 Maintenance of effort.

(a) Eligibility standard. (1) For purposes of establishing the LEA's eligibility for an award for a fiscal year, the SEA must determine that the LEA budgets, for the education of children with disabilities, at least the same amount, from at least one of the following sources, as the LEA spent for that purpose from the same source for the most recent fiscal year for which information is available:

- (i)** Local funds only;

- (ii) The combination of State and local funds;
 - (iii) Local funds only on a per capita basis;
 - (iv) The combination of State and local funds on a per capita basis.
- (2) When determining the amount of funds that the LEA must budget to meet the requirement in paragraph (a)(1) of this section, the LEA may take into consideration, to the extent the information is available, the exceptions and adjustment provided in §§ 300.204 and 300.205 that the LEA:
- (i) Took in the intervening year or years between the most recent fiscal year for which information is available and the fiscal year for which the LEA is budgeting; and
 - (ii) Reasonably expects to take in the fiscal year for which the LEA is budgeting.
- (3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraph (a)(1) of this section.
- (b) *Compliance standard.* (1) Except as provided in §§ 300.204 and 300.205, funds provided to an LEA under Part B of the Act must not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.
- (2) An LEA meets this standard if it does not reduce the level of expenditures for the education of children with disabilities made by the LEA from at least one of the following sources below the level of those expenditures from the same source for the preceding fiscal year, except as provided in §§ 300.204 and 300.205:
- (i) Local funds only;
 - (ii) The combination of State and local funds;
 - (iii) Local funds only on a per capita basis;
 - (iv) The combination of State and local funds on a per capita basis.
- (3) Expenditures made from funds provided by the Federal government for which the SEA is required to account to the Federal government or for which the LEA is required to account to the Federal government directly or through the SEA may not be considered in determining whether an LEA meets the standard in paragraphs (b)(1) and (2) of this section.
- (c) *Subsequent years.* (1) If, in the fiscal year beginning on July 1, 2013 or July 1, 2014, an LEA fails to meet the requirements of § 300.203 in effect at that time, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required in the absence of that failure, not the LEA's reduced level of expenditures.
- (2) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(i) or (iii) of this section and the LEA is relying on local funds only, or local funds only on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(i) or (iii) in the absence of that failure, not the LEA's reduced level of expenditures.
- (3) If, in any fiscal year beginning on or after July 1, 2015, an LEA fails to meet the requirement of paragraph (b)(2)(ii) or (iv) of this section and the LEA is relying on the combination of State and local funds, or the combination of State and local funds on a per capita basis, to meet the requirements of paragraph (a) or (b) of this section, the level of expenditures required of the LEA for the fiscal year subsequent to the year of the failure is the amount that would have been required under paragraph (b)(2)(ii) or (iv) in the absence of that failure, not the LEA's reduced level of expenditures.
- (d) *Consequence of failure to maintain effort.* If an LEA fails to maintain its level of expenditures for the education of children with disabilities in accordance with paragraph (b) of this section, the SEA is liable in a recovery action under section 452 of the General Education Provisions Act (20 U.S.C. 1234a) to return to the Department, using non-Federal funds, an amount equal to the

amount by which the LEA failed to maintain its level of expenditures in accordance with paragraph (b) of this section in that fiscal year, or the amount of the LEA's Part B subgrant in that fiscal year, whichever is lower. (Approved by the Office of Management and Budget under control number 1820-0600) (*Authority: 20 U.S.C. 1413(a)(2)(A), Pub. L. 113-76, 128 Stat. 5, 394 (2014), Pub. L. 113-235, 128 Stat. 2130, 2499 (2014)*)

§ 300.204 Exception to maintenance of effort.

Notwithstanding the restriction in Sec. 300.203(a), an LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to any of the following:

- (a) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel.
- (b) A decrease in the enrollment of children with disabilities.
- (c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child--
 - (1) Has left the jurisdiction of the agency;
 - (2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or
 - (3) No longer needs the program of special education.
- (d) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.
- (e) The assumption of cost by the high cost fund operated by the SEA under Sec. 300.704(c). (*Authority: 20 U.S.C. 1413(a)(2)(B)*)

§300.205 Adjustment to local fiscal efforts in certain fiscal years.

- (a) Amounts in excess. Notwithstanding Sec. 300.202(a)(2) and (b) and Sec. 300.203(a), and except as provided in paragraph (d) of this section and Sec. 300.230(e)(2), for any fiscal year for which the allocation received by an LEA under Sec. 300.705 exceeds the amount the LEA received for the previous fiscal year, the LEA may reduce the level of expenditures otherwise required by Sec. 300.203(a) by not more than 50 percent of the amount of that excess.
- (b) Use of amounts to carry out activities under ESEA as amended by ESEA. If an LEA exercises the authority under paragraph (a) of this section, the LEA must use an amount of local funds equal to the reduction in expenditures under paragraph (a) of this section to carry out activities that could be supported with funds under the ESEA as amended by ESEA regardless of whether the LEA is using funds under the ESEA as amended by ESSA for those activities.
- (c) State prohibition. Notwithstanding paragraph (a) of this section, if an SEA determines that an LEA is unable to establish and maintain programs of FAPE that meet the requirements of section 613(a) of the Act and this part or the SEA has taken action against the LEA under section 616 of the Act and subpart F of these regulations, the SEA must prohibit the LEA from reducing the level of expenditures under paragraph (a) of this section for that fiscal year.
- (d) Special rule. The amount of funds expended by an LEA for early intervening services under Sec. 300.226 shall count toward the maximum amount of expenditures that the LEA may reduce under paragraph (a) of this section. (*Authority: 20 U.S.C. 1413(a)(2)(C)*)

§300.206 Schoolwide programs under Title I of the ESEA as amended by ESSA.

- (a) General. Notwithstanding the provisions of Sec. Sec. 300.202 and 300.203 or any other provision of Part B of the Act, an LEA may use funds received under Part B of the Act for any fiscal year to carry out a schoolwide program under section 1114 of the ESEA as amended by ESSA, except that the amount used in any schoolwide program may not exceed--
 - (1) (i) The amount received by the LEA under Part B of the Act for that fiscal year; divided by
 - (ii) The number of children with disabilities in the jurisdiction of the LEA; and multiplied by

Department of Education

(2) The number of children with disabilities participating in the schoolwide program.

(b) Funding conditions. The funds described in paragraph (a) of this section are subject to the following conditions:

(1) The funds must be considered as Federal Part B funds for purposes of the calculations required by Sec. 300.202(a)(2) and (a)(3).

(2) The funds may be used without regard to the requirements of Sec. 300.202(a)(1).

(c) Meeting other Part B requirements. Except as provided in paragraph (b) of this section, all other requirements of Part B of the Act must be met by an LEA using Part B funds in accordance with paragraph (a) of this section, including ensuring that children with disabilities in schoolwide program schools--

(1) Receive services in accordance with a properly developed IEP; and

(2) Are afforded all of the rights and services guaranteed to children with disabilities under the Act. (*Authority: 20 U.S.C. 1413(a)(2)(D)*)

§300.207 Personnel development.

The LEA must ensure that all personnel necessary to carry out Part B of the Act are appropriately and adequately prepared, subject to the requirements of Sec. 300.156 (related to personnel qualifications) and section 2122 of the ESEA as amended by ESSA. (*Authority: 20 U.S.C. 1413(a)(3)*)

§300.208 Permissive use of funds.

(a) Uses. Notwithstanding Sec. Sec. 300.202, 300.203(a), and 300.162(b), funds provided to an LEA under Part B of the Act may be used for the following activities:

(1) Services and aids that also benefit nondisabled children. For the costs of special education and related services, and supplementary aids and services, provided in a regular class or other education-related setting to a child with a disability in accordance with the IEP of the child, even if one or more nondisabled children benefit from these services.

(2) Early intervening services. To develop and implement coordinated, early intervening educational services in accordance with Sec. 300.226.

(3) High cost special education and related services. To establish and implement cost or risk sharing funds, consortia, or cooperatives for the LEA itself, or for LEAs working in a consortium of which the LEA is a part, to pay for high cost special education and related services.

(b) Administrative case management. An LEA may use funds received under Part B of the Act to purchase appropriate technology for recordkeeping, data collection, and related case management activities of teachers and related services personnel providing services described in the IEP of children with disabilities, that is needed for the implementation of those case management activities. (*Authority: 20 U.S.C. 1413(a)(4)*)

§300.209 Treatment of charter schools and their students.

Department of Education

(2) If the public charter school is a school of an LEA that receives funding under Sec. 300.705 and includes other public schools--

(i) The LEA is responsible for ensuring that the requirements of this part are met, unless State law assigns that responsibility to some other entity; and

(ii) The LEA must meet the requirements of paragraph (b)(1) of this section. *(Authority: 20 U.S.C. 1413(a)(5))*

§300.210 Purchase of instructional materials.

(a) General. Not later than December 3, 2006, an LEA that chooses to coordinate with the National Instructional Materials Access Center (NIMAC), when purchasing print instructional materials, must acquire those instructional materials in the same manner, and subject to the same conditions as an SEA under Sec. 300.172.

(b) Rights of LEA.

(2) If an LEA chooses not to coordinate with the NIMAC, the LEA must provide an assurance to the SEA that the LEA will provide instructional materials to blind persons or other persons with print disabilities in a timely manner.

(3) Nothing in this section relieves an LEA of its responsibility to ensure that children with disabilities who need instructional materials in accessible formats but are not included under the definition of blind or other persons with print disabilities in Sec. 300.172(e)(1)(i) or who need materials that cannot be produced from NIMAS files, receive those instructional materials in a timely manner. *(Authority: 20 U.S.C. 1413(a)(6))*

GEPA 427 General Educational Provisions Act Requirement

1. Section 427 of GEPA (20 U.S.C. 1228a), requires subrecipients to provide a description of the steps it proposes to take to permit students, teachers, and other program beneficiaries to overcome barriers (including barriers based on gender, race, color, national origin, disability, and age) that impede equal access to, or participation in, the program.

VLACS will take the following steps to overcome barriers to access:

1. Board policies clearly state that barriers to equal access are eliminated for students, teachers, and other program beneficiaries. All such policies are available on the school's website.
2. The school will not knowingly enter into agreements with any entity or individual that discriminates on basis of any protected status.
3. As an online program we strive to meet WCAG 2.1AA accessibility standards and expect all contractors and vendors to do the same.
4. We are moving our administrative offices to a facility that meets ADA requirements.
5. We provide regular professional development training that emphasizes the need to meet the needs of students regardless of gender, race, color, national origin, disability, or age.

GEPA 442 General Educational Provision Act Requirements

1. Section 442 of GEPA requires subrecipients to provide opportunities for the participation in, planning for, and operation of each program supported by ESEA and IDEA funds, by teachers, parents, and other interested agencies, organizations, and individuals.

Please describe how such participation opportunities will be provided.

VLACS will solicit input from teachers, support staff, and parents via online survey.

2. Section 442 of GEPA requires subrecipients applications, evaluations, plans, or reports related to each program will be made available to parents and the public.

Please describe how such information will be made available to parents and the public.

We will post our applications, evaluations, and plans on our website. The following URL has been reserved for this purpose. <https://vlacs.org/federal-grants-info/>
