

VIRTUAL LEARNING ACADEMY CHARTER SCHOOL POLICY
HIGH SCHOOL GRADUATION

IKF

Academic Requirements

Between twenty-two and and-a half (22.5) credits and twenty-four (24) credits are required for high school graduation, five of which must be earned at VLACS.

Minimum Credits Required for VLACS Graduation

Electives	6 Credits	5.5 Credits
Advisory		
Total Credits: Enrolled for up to one year at VLACS	22.5	22.5
Total Credits: Enrolled for one to two years at VLACS	23	23
Total Credits: Enrolled for two to three years at VLACS	23.5	23.5
Total Credits: Enrolled for three to four years at VLACS	24	24

*The micro-internship requirement may be waived by the Director of Full-Time programs for the class of 2024 only.

** Students shall engage with and apply English and mathematics graduation competencies during every year they are enrolled in high school even if graduation competencies for English and mathematics have been demonstrated. Such engagement may occur through integration of these graduation competencies in courses focused on content areas other than English or mathematics. Such engagement shall support students to be college and career ready in mathematics and English/language arts.

For students transferring into VLACS' full-time program from another educational program, the Director of Full-Time Programs will evaluate the students' records to determine previous educational experiences toward meeting state and VLACS graduation requirements in accordance with any applicable laws or policies.

Alternative Credit Options

In some cases, credit may be earned via extended learning opportunities through VLACS' Learning Through Experience program. Awarding of credits to be applied toward high school graduation requirements will be determined in accordance with Policy IHBH.

Testing

Full-time VLACS students shall participate in statewide assessments as required by the Statewide Education Improvement and Assessment Program (RSA 193-C) unless a student is exempted from taking the test by their parent or legal guardian. Graduates must also pass the U.S. Naturalization Test beginning in 2024.

College, Career, and Citizenship Readiness

Entering students shall be required to participate in certain mathematics and English related activities in order to assess and/or remediate their skills and knowledge. Juniors or incoming Seniors shall participate in assigned English and Math readiness activities in order to ensure that they are prepared to meet the college and career readiness goals in their college, career, and citizenship plan. The Director of Full-Time Programs will determine if certain students may be exempt from these requirements based on prior outstanding academic performance.

Student Status Criteria and Pacing Options

As a full-time student at VLACS, students must maintain the following student status criteria:

Student Status Criteria Class of 2022 and Beyond

Grade Status	Credits	Other Requirements
Freshman	5.5 or fewer	
Sophomore	6-11	
Junior	11.5-16.5	Credits must include: 2 credits in English, 2 credits in Science, Algebra I (or equivalent), and .5 credit in geometry (or equivalent).
Senior	17 or more	

VLACS full-time students are expected to follow the following pacing options:

Student Pacing Options

Traditional Pace	A student meets all graduation requirements in approximately four years
Accelerated pace	A student meets all graduation requirements as described in this policy, but in fewer than four years.

Under certain circumstances (with approval from the Director of Full-Time Programs), a student may take more than four years to complete the minimum credits required for graduation.

Students may not take elective courses in lieu of graduation requirements to extend their eligibility to attend high school beyond four years. Full-time students with documented disabilities may continue with their high school education until such time as the student has completed the minimum credits required for graduation or reaches twenty-two (22) years of age. All full-time students must complete all coursework before his/her twenty-second (22) birthday.

All students must comply with Board of Trustees policy JH-Truancy.

Early Graduation

If a student meets all graduation requirements before his or her anticipated graduation date, a parent/guardian (or student if eighteen (18) years of age) may request an early graduation from VLACS, or the student may remain and complete the his/her education within the time limits referenced in this policy.

The Director of Full-Time Programs may approve a parent/guardian or student's (if the student is eighteen (18) years of age) request for early graduation upon verification that the student has met all state and VLACS' graduation requirements.
