

### **Full-Time Students**

Students must meet the following criteria in order to be considered for full-time status:

- All courses must be completed by the student's twenty-first birthday or 4 plan. The student may agree to pay tuition for the portion of the course taken after the student's twenty-first birthday or twenty-second birthday if the student has an active IEP or 504 plan;
- Must be a New Hampshire resident to qualify for free tuition;
- Not received a high school diploma;
- The applicant must have completed one, or more, half-credit segments as a part-time student with a 70% average, or better;
- Successful completion of the admissions application;
- Recommended for acceptance by the VLACS admissions team;
- Students who successfully complete the admissions process will be enrolled in classes as full-time seats become available. Students may take courses as part-time students while waiting for a full-time seat to become available.

### **Part-Time Students**

Students must meet the following criteria in order to take courses as a part-time student:

- All courses must be completed by the student's twenty-first birthday or twenty-second birthday if the student has an active IEP or 504 plan. The student may agree to pay tuition for the portion of the course taken after the student's twenty-first birthday or twenty-second birthday if the student has an active IEP or 504 plan;
- Must be a New Hampshire resident to qualify for free tuition;
- Successful completion of the enrollment process;
- Students will be placed in a course as space becomes available.
