

ADMISSIONS CRITERIA

JE

Full-Time Students

Students must meet the following criteria in order to be considered for full-time status:

- All courses must be completed by the student's twenty-first birthday, or twenty-second birthday if the student has an active IEP or 504 plan, or the student may agree to pay tuition for the portion of the course taken after the student's twenty-first birthday or twenty-second birthday if the student has an active IEP or 504 plan;
- Must be a New Hampshire resident to qualify for free tuition;
- Not received a high school diploma;
- Successful completion of the admissions application process;
- Students who successfully complete the admissions process will be enrolled in classes as full-time seats become available. Students may take courses as a part-time student while waiting for a full-time seat to become available.

Part-Time Students

Students must meet the following criteria in order to take courses as a part-time student:

- All courses must be completed by the student's twenty-first birthday, or twenty-second birthday if the student has an active IEP or 504 plan, or the student may agree to pay tuition for the portion of the course taken after the student's twenty-first birthday or twenty-second birthday if the student has an active IEP or 504 plan;
- New Hampshire resident for free tuition;
- Successful completion of the enrollment process;
- Students will be placed in a course as space becomes available.
